Benchmark CO2	4.51

Description

This recycled stainless steel vacuum bottle features a modern design that combines functionality with style. With a generous capacity of 880 ML, it's perfect for all-day hydration on your daily adventures. The bottle includes a functional handle for easy carrying, and the lid offers two beverage intake options. The double-walled insulation keeps your drink cold for up to 16 hours and hot for up to 3 hours, ensuring you stay refreshed throughout your journey. Spillproof. Not dishwasher or microwave safe, only handwash. Including FSC®-certified kraft packaging. Certified by RCS (Recycled Claim Standard), RCS certification guarantees that the entire supply chain of recycled materials is certified. The total recycled content is based on the overall product weight. This product contains 65% RCS-certified recycled stainless steel.

ESG and Certification

amfori BSCI Trade with purpose — The producing factory is BSCI audited

RCS Blended — RCS Blended

Product USPs

- Carry handle lid
- Vacuum bottle
- Double wall
