Description

Bamboo ruler made out of FSC® 100% bamboo. At 30 cm in length and with an extra thickness of 6mm this ruler is the perfect size for a wide range of tasks. Whether you are measuring fabric for a sewing project, marking up wood for a woodworking project, or laying out a design for a home renovation, this ruler has got you covered. One of the standout features of the Timberson ruler is its double-sided design. With both metric and imperial measurements printed on either side, you will be able to work with ease no matter which system you prefer. The clear, easy-to-read markings ensure that you can quickly and accurately measure anything you need to. Packed in FSC® mix kraft packaging.
