Description

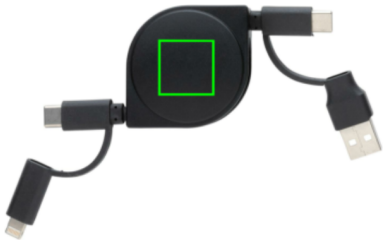

6-in-1 retractable cable where the case is made out of RCS certified recycled ABS plastic and the wire from recycled TPE. Total recycled content: 59% based on total item weight. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. RCS is the standard that is used when a part of the item has been made from recycled materials. The cable has 5 different connectors: USB C in, USB A in, type C out, IOS out and micro USB out. This allows you to use the cable with type C output devices that are included in the newer generation of phones and macbook computers. The cable also has a USB A output input option so it can charge any device from any output source. Item is completely PVC free.
