Description

Sustainable 10W speaker made from carefully sourced materials. The speaker is made out of durable waterproof fabric and the bottom is made out of cork. The Baia delivers an amazing sound and bass experience and due to the IPX 5 waterproof rating it's suitable to use in the garden or take to the beach. The Baia uses BT 4.2 for easy operation and with a battery of 2000 mah it allows you to play music up to 6 hours non-stop. Operating distance up to 10 metres. The Baia comes packed in a plastic free packaging to avoid unnecessary waste. Registered design®

ESG and Certification

amfori BSCI Trade with purpose The producing factory is BSCI audited
