Description

Meet Glendale, the most premium and technologically advanced headphone ever. Glendale changes the way you listen to music and workout. The unique open design does not put the earbuds in your ear but next to them creating continuous situational awareness when you are outside. All this in premium sound quality with enhanced bass. The earbuds are IPX4 waterproof so suitable for any workout. The comfortable and lightweight earbuds are perfect both for daily use and for workouts. The battery will keep you going up to 10 hours on one single charge. If you have an incoming call simply answer with the integrated microphone. Glendale is made with RCS (Recycled Claim Standard) certified recycled ABS. Total recycled content: 17% based on total item weight. RCS certification ensures a completely certified supply chain of the recycled materials. Urban Vitamin items are made without PVC and packed in plastic reduced packaging.
