Description

Stay dry in style with our classic and understated 23-inch umbrella. The double-layer 190T recycled PET fabric provides ample protection against rain, while the beautiful inside lining adds a touch of elegance to the design. The umbrella features fibreglass ribs and frame, ensuring durability and longevity. The stick and handle of the umbrella are made from composite wood, adding a touch of sophistication to the design. The umbrella also features AWARE™ tracer technology, validating the genuine use of recycled materials and emphasising our commitment to responsible sourcing. Including FSC®-certified kraft packaging.
