Description

The Micki GRS Infinity 6pc Colouring Pencil Set offers vibrant colours for all your creative projects. This set includes six pencils in red, yellow, blue, green, orange, and black, each 9cm in length. Made from 90% recycled materials, these pencils feature a smooth graphite tip for easy colouring. The set comes in a reusable gift box and is packaged in FSC® kraft paper. Unlike traditional coloured pencils that last around 200 metres, these Tree-Free Infinity pencils write up to 20,000 metres. They produce a smooth line and can be easily erased. These pencils are designed to last longer, outlasting up to 100 regular coloured pencils!
