Description
Unisex microfleece zip-through jacket made from 100% post-consumer recycled polyester in 240 G/M² with anti pilling finish. This style is perfect for seasonal layering. The soft and comfortable fleece jacket has a reversed front zipper and practical zip pockets integrated into diagonal seams. Designed for style and comfort, it features raglan sleeves, elastic binding at the bottom hem and cuffs and distinctive 3-needle flatlock top stitch for a sporty look. The woven fabric panel at the chest and at the inside back neck offers a good placement for personalised decoration. The use of genuine recycled & organic fabric materials and environmental impact claims are guaranteed, by using the AWARE™ disruptive physical tracer and blockchain technology. By scanning the QR code, you will gain access to a dedicated digital passport of the product. 2% of proceeds of each sold product will be donated to Water.org. This product is OEKO-TEX® STANDARD 100 certified.
