Benchmark CO2	1.75

Description

No greenwashing, but telling a true story about sustainability! This Impact 180g recycled cotton apron is made with AWARE™ tracer. With AWARE™, the use of genuine recycled fabric materials (70% rcotton/30% rpet) and water reduction impact claims are guaranteed, by using the AWARE disruptive physical tracer and blockchain technology. Save water and use genuine recycled fabrics. With the focus on water, 2% of proceeds of each Impact product sold will be donated to Water.org. Don't worry about getting your clothes dirty. This beautiful apron has straps on the waist that help you get your perfect fit every time, and the front pocket is perfect for holding spoons, or any other accessory you need close at hand while cooking. Water savings are based on figures when compared to conventional fibre. This calculated indication is based on reliable LCA data as published by Textile Exchange in their Material Snapshots 2016.
